

EGG CARTON EGG BASKET

You will need:

- Egg carton
 - Paint / pens
 - Scissors
 - Glue
 - Tissue paper
1. Chocolate eggs

STEP 1

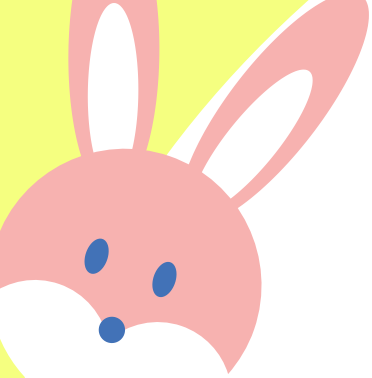

First, cut the egg carton up into sections. Then it's time to decorate them! We use paint, but you could use pens.

STEP 2

Once the egg cartons have dried, you can decorate them with any crafty bits you have! For the handle, you could use raffia ribbon, left over card from the egg carton, or a pipe cleaner!
